Hutchinson, Kan – Congressman Tim Huelskamp today endorsed Karl Peterjohn for the Sedgwick County Commission.

“I am proud to endorse Karl Peterjohn for the Sedgwick County Commission,” said Huelskamp. “Karl has fought for fiscal restraint and economic freedom on the Sedgwick County Commission and he will continue to stand firm for conservative principles and be a leader in the fight for common sense Kansas values.”

“I am excited and delighted to add Tim Huelskamp's endorsement in my primary election for the Sedgwick County Commission in District 3,” said Karl Peterjohn. “This endorsement from a major Kansas conservative leader validates my conservative record in office during the last four years.”
